EASY BIKING

FRIDAY

EASY BIKING Gourmet - Tour: Wine-tasting POLLENÇA

Extraordinary, easy bike-tour in the surrounding of Pollença. The ideal locations of the bodegas in Pollença were known to the Romans as early as 123 BC. This makes the area around Pollensa in the north of Mallorca among the oldest winegrowing regions in the world.

The highlight of our Bike-Gourmet-Tour is the wine tasting, which we will enjoy on a magnificent terrace, overlooking the vineyards.

Experience the authenticity of the Mallorcan wine tradition – far away from the typical tourist attractions! – And of course, the typical mallorcan picnic in beautiful surrounding will make the day perfect!
